

PHYS:7730 Template for Annotated Bibliography

Brief description of the topic of the annotated bibliography.

1. *Title*

Author, I. M.

Journal, **100**, 1234 (2021).

(Author, 2021)

Brief paragraph or two describing the key contributions in this paper. This can include BibTex citations to other papers not included in the annotated bibliography. Note that you can think of this description as notes to yourself about what is important in this paper.
